Reference: FCC Docket Nos 96-45, 98-171, 90-571, 92-237, 99-200, 95-116, 98-170
and NSD File No. L-00-72.

Dear FCC:

Sirs: Please do not burden us with yet another tax. I am a senior citizen who uses the phone rarely. It is kept primarily for emergency purposes. How fair is it to tax a necessity, especially when thousands upon thousands of frivolous calls are made daily by those who would pay the same tax.

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,

Robert P. Guizzetti
6724 Glen Forest Drive
